DECISIVE BATTLES OF THE WORLD .- Creasy's extremely interesting volume narrating the Whitworth—who goes to Arcadia to engage in history of the fifteen decisive battles of the world, those few battles of which a contrary event would have essentially varied the drama of the world in all its subsequent scenes, is highly esteemed by all readers of history. EARS FOR THE MILLION! JOHN ALBERT. Foo Choo's Balsam of Shark's Oil Positively Restores the Hearing, and is the Only Absolute Cure for Deafness Known.

This Oil is estracted from a peculiar species of small White Shark, caught in the Yellow Sea, known as Gaecharodon Rondeletli. Every Chinese Scherman knows it. Its virtues as a restorative of heafing were discovered by a Buddhist Priest about the year 1410. Its cures were so numerous and many so seemingly miraculous, that the remety was officially procinimed over the entire Empire. Its use became so universal that for over 200 years no Deafness has existed among the Chinese people. Sent charges prepaid, to any address at \$1 per bottle.

Only Imported by HAYDOCK & CO...
Sole Agents for America. 7 DEVST., NEW YORK.

Its virtues are unquestionable and its curative character absolute, as the writer can personally testify, both from experience and observation.

Among the many readers of the Review in one part and akother of the country, it is probable that numbers are afficted with deafness, and to such it may be said: "Write at once to Haydock & Co., 7 Bey Street, New York, enclosing \$1, and you will receive by return a remedy that will enable you to hear like anybedy else, and whose curative effects will be permanent. You will never regret doing so."—Réltor of New York Mercantile Review, Sept. 25, 1880.
